

Walk of Ages **Volunteer Job Descriptions**

Set-up: **SHIFT TIMES: 7am to 9am.** This position involves heavy lifting and walking. Volunteers will assist with setting up tents, tables, décor, and anything else required prior to the walk, under the direction of a Staff Lead. Please keep in mind that this volunteer position must be there early, so we're looking for those who don't mind being early risers.

Volunteer Check-in: This involves assisting Staff Lead with checking in all other volunteers at the Volunteer Tent. This also includes directing them to their stations and helping hand out visibility vests and signs.

Greeters: This position is the first face most walkers see, so vibrant personalities are requested! As soon as walkers enter the walk site greeters will need to welcome them and generally be a source of information. They will also need to be in communication with participants to obtain contact details/ signed waivers. This includes identifying if they are a volunteer or a part of a family/school/corporate team and pointing them to the appropriate tent/area. Each greeter will have a map of the walk site.

Registration/ Check-in Tent: The registration volunteers will help check-in team captains and individual walkers. They will also pass out hats/coupons to walkers.

On-Call: Volunteers that are "reserve" help that wait in the Volunteer Check-in Tent until there is a need or task to help with regarding a last minute need. (There is always a need for extra volunteers.)

Route Marshalls Zones 1-4: (20) Volunteers needed/ 5 per zone. We are looking for fun, enthusiastic personalities that can help with day of route activities/logistics.

Rest Stop: Volunteers will help set up the rest stop provisions (tables, cups, water, fruit...) and help pass items out to the walkers as they come by while cheering them along the route.

Tear Down: **SHIFT 11am-1pm.** This position involves heavy lifting and walking. Volunteers will assist with tearing down, cleaning up the walk site, and anything else required after the walk, under the direction of a Staff Lead. Help. This position requires some light physical labor.

All volunteer positions will be briefed on the day of the event.
