A board is more than a collection of individuals. It is an entity that governs, approves strategy and engages in robust discussion and debate on relevant issues. It must act as a single entity. - Collaborative

- Willing and able to lead a discussion
- Facilitative style
- Enthusiastic
- Comfortable speaking in front of groups
- Manages time well
- Optimistic
- Responsive
- Strong work ethic
- Good sense of humor
- Asks tough questions with respect

FUNDRAISING

Among other responsibilities, board members play a key role in raising funds for our organization. It is an expectation of board service that you will introduce people in your sphere of influence to our work and invite them to know and do more – as prospective volunteers, board members, staff and as donors. Our organization commits to providing you with the information and tools necessary for you to stand as a vocal and visible ambassador for our work.

Further, we expect every board member to make an annual financial commitment for each year of board service at a level you are comfortable with or by attending the events that are held each year to support the organization.

Can you speak to your level of comfort with this expectation?

TIME

Board service is a true commitment of time and energy. We estimate that board service could be a commitment of 3 to 4 hours each month. In addition, we ask for *your **attendance at special events***.

Do you have any concerns or potential conflicts that may serve as impediments to this time commitment? If so, how will you manage the demands on your time?

OTHER

Who recommended you for board service?

As a member of the Board of SSS you will be required to have a police check. Are you comfortable with that?

Please identify at least two references we can speak with.
